

MA1506 Mathematics II 2010/2011 Semester 2

Lecture Hours and Lecturers:

- See IVLE

Assessment:

- Final examination 75% - 26th April, Morning
- Mid-term test 20% - 2th March, 8.30 – 9.30 pm
- Lab Assignment 5% - 22th March, 1pm

Aims and Syllabus:

- See IVLE

Lecture notes:

- Content may differ from lecture notes of previous years
- Please obtain the latest version from IVLE workbin

Text Book:

- **Differential Equations & Linear algebra with applications (2nd Edition)** – Farlow, Hall, McDill, West

Midterm (20%):

- 10 multiple choice questions
- Exact venue of test will be made known at a later date
- Bring 2B pencils for shading of answers
- Bring matriculation card for identification
- No helpsheet allowed, a formula list containing the variation of parameters formula will be provided.
- Graphing calculators are not allowed
- Coverage: Chapter 1

Lab Assignment (5%):

- Students are expected to submit one lab assignment
- No lab lessons are scheduled, students are expected to do self-learning based on the material provided
- Help sessions for labs will be scheduled from weeks 6 to 9
- See document in Workbin for more information

Final Exam (75%):

- Format similar to 2009/10 Sem 2 exam paper
- Bring matriculation card for identification
- 1 x A4 handwritten double-sided helpsheet is allowed
- Graphing calculators are not allowed
